

School Health Requirements

For 2011-2012

Illinois state law requires that all students entering **Sixth** and **Ninth** grades in the fall of 2011 , to have a physical examination within one calendar year **Prior** to the date of entry. The examination must include a complete immunization record and medical history. An additional (Td) booster is required ten years after the last booster. The School Health Fair is free, and an excellent opportunity to receive Physical, and Dental exams. At the Unity Middle School, July 26th, 2:00-7:00 pm.

In addition, students going into the **Sixth grade** are required to have an oral health exam prior to May 15, 2012. We offer the Smiles program at school, in April next year. This is a great way to meet requirements.

Physical, and Dental forms are available on the school web site at cusd4.com or you may pick one up in the School Health Office.

If you have any questions regarding these requirements, please contact your school office.

Thank you for your prompt cooperation.

Sincerely,

Dawn Ufkes, RN
