Parents/Guardians,

For the time period in which we are operating on a 1:30 high school dismissal, we will be offering a lunch “opt-out” option for those students who have the 4th lunch period from 1:00-1:30.

Students who have “B” lunch from 1:00-1:30 may choose not to eat and leave at 1:00 instead of staying through the lunch period. In order to qualify, they must have the permission slip signed and turned in by Monday, September 14th.

Once they choose to opt-out, they must leave every day at 1:00 after signing out. They cannot leave a couple of days a week and stay the other days. It is either they leave or they do not.

By agreeing to this, you understand that your child will be leaving campus at 1:00 pm and will not be eating lunch. By agreeing, you understand that on these days, they will be done with school at 1:00 pm and either driving home or riding with another student.

Those students who opt out also understand that this is a privilege and it can be revoked at any time. Reckless driving, not leaving grounds immediately, and poor grades are just some of the examples of which could lead to the loss of this privilege for those individuals who cannot follow the rules.
