

Second Grade News

Mrs. Koenig's Class typhanie.koenig@cusd4.com

WE celebrated Mr. Ellerman's birthday. We wrote about the top 10 things we love about him!

We learned about Helen Keller and Wilma Rudolph. Our class is doing a study on people who did extraordinary things despite a disability.

In math we are reviewing addition and subtraction, counting by 2's, 5's, 10's and 20's, fact families and more.

In science, we are studying dinosaurs and animals.

In social studies, we are learning about the continents.

In art, we drew dinosaurs and ocean animals.

We took our first spelling test! Way to go 2nd graders!

A look ahead.....

Next week we will try to do reading groups. I will start slow and try to challenge the students as I learn their different reading levels. Thank you for signing the planner and the reading log each evening. The reading folders will come home next week. It is important for the children to read for 15 to 20 minutes each evening. Thanks for all of your help at home!

We will work on UNIT 2 in spelling. Thanks so much for practicing the spelling words at home. They are so proud when they get SUPER SPELLER. ☺

The kids are working on a coloring contest for North Adams Home. If they brought it home, please send it back by September 1st.

Our class has 15 minutes of SILENT READ TIME each day. They are keeping track of how many dots they fill in on a paper chart in their book box. Chapter books are worth 5 dots. ☺ Thanks for encouraging them to read. I will give a prize as they fill their charts.

We will work hard on memorizing math facts. Please work on addition and subtraction flashcards at home.

Have a wonderful weekend! I really enjoy this class!

Mrs. Koenig

Sept. 7: No School

Sept. 8: Teacher

Institute Day

Sept. 18th: Dismiss at 11:30
